

A large ship is being lifted by a crane at a shipyard. The ship is dark-colored and has a large, curved hull. The crane is blue and has a large, curved arm. The ship is being lifted from a dry dock. The background shows other ships and cranes in the shipyard.

# MID-ATLANTIC REGIONAL MEETING

FEB 14TH, 2024

**11:00 AM - 1:00 PM**

Virtual Meeting - MS Teams

HELLO,

Please join us for the next virtual event to hear the latest updates and news from our region and across the Mutual.

Virtually network with Mutual Members, ask questions, and share your organizational updates in the spirit of *Members-Helping-Members*. We hope to see you there!

**REGISTER**
