Join us at a haunted hotel in Old Town!

The Cosmopolitan has watched San Diego unfold around it for nearly 200 years, from a state-of-the-art adobe home built in 1827 by a young, revolutionary Don Juan Bandini to a modern two-story hotel, restaurant, and stagecoach office in 1869 to an olive cannery in 1900 and a popular Mexican restaurant in the latter half of the 20th century.

Haunted Hotel: In 2012, Ghost Adventures investigated The Cosmopolitan Hotel and caught some hard evidence. For more details, please visit: [Hauntedhouses.com](https://www.hauntedhouses.com)
